Objective

A disciplined and detail-oriented professional with demonstrated experience in documentation control, client coordination, structured reporting, and process adherence, seeking an entry-level position as a Bank Teller or Cashier. Eager to apply strong numerical accuracy, interpersonal communication, and operational discipline in a banking environment, and committed to delivering reliable, professional service to every customer.

Professional Experience

Freelance Scriptwriter & Operations Coordinator

Mar 2024 – Present

Remote

- Managed end-to-end delivery of client projects including requirements gathering, structured documentation, scheduling, and on-time delivery.
- Converted unstructured client inputs into clear, accurate, and organised execution plans.
- Coordinated with multiple stakeholders simultaneously, maintaining accuracy and meeting all deadlines.
- Developed strong habits around follow-up, task ownership, and attention to detail across parallel assignments.

Digital Marketing Specialist (Operations & Coordination)

Sep 2023 – Mar 2024

24 Media Films Pvt. Ltd., Pune

- Handled client onboarding, internal coordination, documentation flow, and operational follow-ups across teams.
- Maintained structured records and operational reports using Microsoft Excel with a high degree of accuracy.
- Supported scheduling, approvals, and quality control to ensure consistent and timely delivery.
- Served as a communication bridge between clients and internal teams, demonstrating professionalism and reliability.

Senior Content Manager (Freelance)

Jun 2018 – Aug 2023

Remote

- Led planning, execution, and delivery of long-term client engagements independently over a period of five years.
- Maintained strict documentation standards, version control, and structured workflows across high-volume workloads.
- Demonstrated consistent accountability, deadline compliance, and professional ownership in a fully remote capacity.

Education

Bachelor of Science – Computer Science

2018

MGMs College of Computer Science & IT, Nanded (SRTM University)

Higher Secondary Certificate (HSC) – Science

2014

NES Science College, Nanded

Skills

- **Numerical Accuracy:** Consistent precision in data entry, record maintenance, and structured reporting across professional roles.
