OBJECTIVE

A detail-oriented and analytical Computer Science graduate with proven expertise in documentation management, operational coordination, and structured reporting. Seeking an entry-level Management Information System (MIS) role to apply strong numerical accuracy, data organization, Excel skills, and workflow management to support business operations.

PROFESSIONAL EXPERIENCE

Freelance Scriptwriter & Operations Coordinator

Mar 2024 – Sep 2024 | Remote

Independent Consultant

- Managed end-to-end delivery of client projects, including requirements gathering, scheduling, and structured reporting.
- Converted unstructured client inputs into clear, organized execution plans and data-backed tracking sheets.
- Coordinated with multiple stakeholders simultaneously, maintaining reporting accuracy and deadline compliance.
- Developed structured follow-up routines, task ownership, and quality control across parallel assignments.

Digital Marketing Specialist (Operations & Coordination)

Sep 2023 – Mar 2024 | Pune, MH

24 Media Films Pvt. Ltd.

- Maintained structured operational records and periodic activity reports using Microsoft Excel with high accuracy.
- Handled client onboarding documentation flow, operational follow-ups, and daily cross-team coordination.
- Supported operational scheduling, approvals, and quality tracking to ensure consistent and timely delivery.
- Served as a communication bridge between clients and internal teams to maintain transparent status reporting.

Senior Content Manager (Freelance)

Jun 2018 – Aug 2023 | Remote

Independent Consultant

- Led planning, execution, and tracking of long-term client engagements independently over a five-year period.
- Maintained strict documentation standards, version control, and organized record systems across high-volume workloads.
- Demonstrated consistent accountability, deadline compliance, and reliable operational ownership in a remote setting.

EDUCATION

Bachelor of Science – Computer Science	MGMs College of CS & IT (SRTM University)	2018
Higher Secondary Certificate (HSC) – Science	NES Science College, Nanded	2014
Secondary School Certificate (SSC)	Madhavrao Patil High School, Nanded	2012
