PROFESSIONAL SUMMARY

Business Analyst candidate with 7+ years across operations, client consulting, and digital delivery, with hands-on experience in stakeholder requirements, process documentation, workflow improvement, Excel reporting, and cross-functional coordination. Built applied BA capability through requirements elicitation, user stories, acceptance criteria, as-is/to-be analysis, SQL, and Agile/Scrum. Targeting Junior Business Analyst, Business Analyst, Operations Analyst, and Process Analyst roles.

CORE SKILLS

Requirements: Requirements elicitation • BRD/PRD • User stories • Acceptance criteria • Functional & non-functional requirements
Process Analysis: As-is/to-be mapping • Gap analysis • Root cause analysis • Bottleneck analysis • Process improvement • Workflow documentation
Data & Tools: Excel: XLOOKUP, VLOOKUP, INDEX/MATCH, SUMIFS, PivotTables • SQL: joins, filtering, aggregation • Google Sheets
Delivery: Agile/Scrum fundamentals • SDLC awareness • Backlog concepts • Stakeholder coordination • Delivery tracking

PROFESSIONAL EXPERIENCE

Freelance Operations & Process Consultant — Independent Consultant | Remote | *Mar 2024 – Sep 2024*

- Gathered stakeholder requirements and converted them into structured documentation and process flows for concurrent client accounts in content and operations.
- Designed QA checkpoints and Excel-based reporting trackers to identify delivery gaps earlier, reduce rework, and improve hand-offs.
- Documented current-state processes and recommended practical improvements aligned with client timelines and operational constraints.

Digital Marketing & Operations Associate — 24 Media Films Pvt. Ltd. | Pune | *Sep 2023 – Mar 2024*

- Gathered client onboarding requirements and standardized process documentation and hand-off templates across teams.
- Built delivery trackers and operational dashboards using PivotTables, VLOOKUP, and SUMIFS to improve reporting accuracy and surface bottlenecks.
- Coordinated with stakeholders to clarify scope, document expectations, and support smoother project execution.

Freelance Content & Digital Strategist — Independent Consultant | Remote | *Jun 2018 – Aug 2023*

- Managed multi-year client accounts end-to-end, translating business goals into actionable plans and consistent delivery with minimal oversight.
- Built version-controlled documentation systems and knowledge bases that improved consistency, onboarding, and knowledge transfer.

BUSINESS ANALYSIS CAREER TRANSITION & APPLIED PROJECTS

Sep 2024 – Present

- Developed four portfolio-ready BA case studies covering requirements documentation, process analysis, product requirements, prioritization, and as-is/to-be improvement.
- Built practical capability in SQL, Excel, Agile/Scrum, user stories, acceptance criteria, requirements documentation, and stakeholder-oriented analysis through hands-on work.

Selected projects: Business Process Analysis & Improvement — Content Operations • 0-to-1 PRD — Clacker-Tracker • Competitive Product Teardown & Feature Prioritization — Blinkit • Persona-Driven Product Strategy & Roadmap — Digito EdTech

EDUCATION

B.Sc. Computer Science — MGM's College of Computer Science & IT, SRTM University, Nanded | 2018

HSC (Science), 2014 • SSC, 2012
